## A CLEAN MAN.

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean liver, and clean blood. It means healthy tissues and fibers in every organ of the body. The man who is clean in this way will look it and act it. He will work with energy and think clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood.

Consumption and bronchitis mean unclean lungs. Dr. Pierce's Golden Medical Discovery prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh. It doesn't make the flabby fat of corpulence, but the firm flesh of health. It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol to inebriate or create craving for injurious stimulants.

Mr. John L. Coughenour, of Glen Savage, Somerset Co., Pa., writes: "My appetite was unusually poor and I was weak and nervous as though I had been starved for months. My heart kept throbbing continually and I was short of breath. Finally I wrote to you for advice and you informed me that I had indigestion and a torpid liver. I did not think your diagnosis was right, but I ordered six bottles of 'Golden Medical Discovery' from you and began its use. After using three bottles I began to improve slowly and went to work, and I have been working ever since."

Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never fail.

## PEOPLE ALL

In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "herpes," now "herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

## Suit Case Mystery.

Interest in the famous suit case mystery in Boston was suddenly revived late yesterday afternoon by the finding of the arms and legs of the young woman. A suit case was picked up in the harbor near the Charlestown bridge about 4 o'clock, and in it were the arms and legs wrapped in a piece of oil cloth of the same pattern as that which inclosed the torso in a suit case discovered floating near the Winthrop Yacht Club on September 21.

Both the legs had been di-jointed at the knees. From the similarity of the disarticulation of the limbs with that of the torso, Medical Examiner Harris says there is not the slightest doubt that they are all portions of the same body. Moreover, Myer Rubin, pawnbroker, has identified the suit case as one he sold on September 19 to the same man that purchased the one picked up at Winthrop from John Berkman, another pawnbroker.

The most important feature of yesterday's discovery lies in the fact that upon the right hand were three rings, one set with a turquoise and one set with a garnet on the third finger, while upon the little finger was a small chased band ring. The police believe they can establish the identity of the victim through the rings and eventually discover, through learning her name, who the man was who brought about the woman's death and dismembered the body.

Medical Examiner Harris made a close examination and expressed the opinion that the arms and hands were not those of a working girl, but there is no denying that the rings were well worn and of an inexpensive sort.

An amazing story, which, if it contains any truth, may throw some light on the case, was told in Washington yesterday by a young white woman, who says her real name is Lucy Rosebury, and that she is the wife of May Goon Sing, a New York Chinaman. She is a comely young woman, was neatly attired and claimed that she felt it her duty to make public some of the occurrences she witnessed while she lived in Moti street, New York, where her husband, Woong Goon Sing, kept a cigar store. She is about 25 years old and was born and raised at Littleton, W. Va. Her English is excellent and she seems to be above the average in intelligence. She suggests that the unfortunate woman whose torso was found in the dress-suit case floating in the harbor of Boston may have been the white wife of some Chinaman who became enraged at her, and after murdering her, cut her up and disposed of the body in the gruesome way that has baffled all the Boston police. She further said: "You may not believe it, but I have seen the white wives of Chinamen who knew too much killed and their bodies cut up and sent away from that city. I have seen four American women disposed of in this manner. They were all the wives of Chinamen."

## The Killing of Capt. Harris.

The police steamer Governor McLean, Capt. James A. Turner, arrived at Cambridge, Md., yesterday with the remains of Capt. Alexander Harris, of Cambridge who was killed in a battle with the oyster police schooner Bessie Jones, Capt. George W. Maddox, on Thursday morning. From the accounts given Captain Turner, it appears that on Wednesday evening Captain Harris and his dredge boat Kate Vickers were arrested in the Potomac river for violation of the oyster laws and were carried to Bush Wood steamboat wharf, in St. Mary's county, the officers of the Bessie Jones making the arrest. There was no magistrate within six or eight miles, so the boats passed the night at the landing, and next morning a messenger was dispatched inland to bring a justice of the peace to the wharf to take action on the charges against Captain Harris.

While the messenger was gone Captain Harris got into an altercation with the mate of the Bessie Jones on the wharf, and at one time drew a knife on him, but that incident passed off without consequence. Later on while still waiting for a magistrate to arrive, Captain Harris became impatient and said he was tired fooling and waiting around there and that he was going.

Suited the action to the word, he went on board his boat and ordered his crew to weigh anchor and get under sail, and they began to do so. The mate of the Bessie Jones, who had also gone on his boat, ordered his crew to fire over the heads of the crew of the Kate Vickers as a warning to desist, and this they did, whereupon Captain Harris and his men retreated to their cabin, but presently came up again and renewed their work on the windlass. Again the crew of the Bessie Jones fired their rifles over her, and again the crew of the Kate Vickers retreated below.

Captain Harris, saying he would take a hand in the shooting himself, came up

"A deep wound in my foot, from an acedent," writes Theodore Schuele, of Columbus, O., "caused me great pain. Physicians were helpless, but Bucklen's Arnica Salve quickly healed it." ## NEWBRO'S HERPICIDE.

THE ORIGINAL REMEDY THAT "KILLS THE DANDRUFF GERM."

## The Hunters Came Too Late!

Their Faithful Dog has pointed out the True Remedy to Prevent Baldness but the Hunters came too late—Chronic Baldness is incurable.

## HERPICIDE A "HAIR-SAVER."

Newbro's Herpicide saves the hair by destroying the germ or microbe that is now known to be the cause of dandruff, falling hair and baldness. In chronic baldness the hair follicles are completely atrophied, causing the scalp to shrink and shine; little can be done in such cases except to save the remaining "fringe," and this is well worth saving, for it offers some protection against the cold.

The "Hair Grower" is a fallacy. It requires but a slight knowledge of Anatomy to know that the hair gets its life and strength from the hair-papilla at the bottom of the hair follicle, and the papilla in turn gets its nourishment direct from the blood; therefore nature is the only true hair grower. There are enemies of hair growth that cause hair loss and baldness. Invisible microbe growths enter the sebaceous glands, situated at the top of the hair follicles (Dr. Sabouraud, of Paris, says the microbe usually enters the scalp in youth), where one colony after another is established, until finally, after months and sometimes years, there is dandruff, itching scalp and falling hair. The Sebura also solidifies, causing dry, lustreless and brittle hair. Destroy this microbe growth with Newbro's Herpicide and protect the hair against re-infection, and it will grow as nature intended.

Best Ever Used. I find Newbro's Herpicide to be the best cure for dandruff ever used, and my customers are very much pleased with it. Richmond, Va.

Herpicide Has No Equal. For years I have been troubled with dandruff and itching of the scalp and have spent a great deal of money purchasing different kinds of remedies, but to no avail. Finally, I decided to try Newbro's Herpicide, and to my utmost delight and surprise I confess it is the best thing I ever tried as a hair dressing. It has no equal.
